

EASTER

READING COMPREHENSION

Easter is a special holiday celebrated in many countries around the world. It is a time when people remember the resurrection of Jesus Christ from the dead, which Christians believe happened three days after his crucifixion. One of the most popular symbols of Easter is the Easter egg. Eggs have been a symbol of new life and rebirth for thousands of years. In many cultures, people decorate eggs and give them as gifts during Easter. Another Easter tradition is the Easter bunny. This tradition comes from Germany, where children believe that a bunny called the "Osterhase" brings Easter eggs. Children often have Easter egg hunts, searching for hidden eggs in their homes or gardens. In addition to eggs and bunnies, many people celebrate Easter by going to church, singing songs, and spending time with family and friends. It is a wonderful time of year, as people celebrate new beginnings and the arrival of spring.
