

EARTH day

HOW CAN YOU PROTECT THE EARTH?

1 Color the boxes with good ideas to look after the Earth.

I can use the car all the time, instead of walking

I can turn the lights off, to save electricity

I can use rainwater, to water my plants

I can take a bath instead of a short shower

I can use reusable bags when I go shopping

I can plant trees and plants

I can refill my water bottle

I can turn the tap off when I'm brushing my teeth

I can use recycled paper, to save trees

I can buy items with a lot of packaging

I can turn the TV off when I'm not watching it

I can buy single-use items

2 Choose 2 ideas to protect the Earth and draw them
